

# ButtKicker®

Feel what you've been missing...

## REVIEWERS LOVE THE BUTTKICKER GAMER

*"I absolutely loved the way the ButtKicker Gamer worked and I loved the idea behind this product. The makers of this product did their homework and made a product that truly enhanced the way you play video games."*

*"The ButtKicker Gamer really enhanced my gaming and home entertainment experience significantly. ...I found it to be an excellent product and its innovative approach to adding 'soundless bass' was outstanding."*

*"For unique capability, excellent implementation and workmanship, the ButtKicker Gamer gets our highest recommendation!"*

*"...is loads of fun and a great way to bring the adrenaline level up."*

*"Even my THX sound system cannot duplicate the experience."*

*"Honestly, it made the game brand new again."*

*"...the gaming experience was truly enhanced by the presence of the ButtKicker Gamer."*

*"The ButtKicker is an absolutely indispensable addition to the... headphones that most of us have."*

*"The bass reproduction is dead on accurate."*

*"...you can almost place the setup anywhere in any room."*

*"...the more I used it, the more it seemed... it was an integral part of the experience."*

*"...more amplified feel to the sound, without causing... disruption as an extra sub-woofer would."*
